Purchase Pending Of Offstreet Lot

Negotiations are underway this week for the purchase, by a private group of citizens, of a lot for offstreet parking in the heart of Sierra Madre's business district. Al E. Morgan, a spokesman for the group, indicated that the actual purchase is expected "momentarily."

Around the Square

Did you know there were such things as special street signs for communities having artistic-minded populations? Neither did we.

But City Administrator R. Merritt Baker says it's so, and he's announcing that a sample of the "different" porcelain-enamelled sign is on display now at Orange Grove and Michillinda. He quickly adds, however, that the sign is not too fancy—that is, the letters are still legible. This type of sign is supposed to be just the thing for "arty" communities such as Carmel, Laguna and, of course, Sierra Madre.

Mrs. Yorda Adams, like the old fire horse, just couldn't stay away. So when City School opened its doors Thursday, she was there. The retired teacher was playing a different role, however, from the one she became so used to during her many years of service at the local school. Instead of receiving a new class of pupils Mrs. Adams was with the P-TA, serving coffee for the mothers of new students.

No sir! We flatly refuse to stay up all night Saturday to watch Florence Chadwick make her second attempt at swimming the Catalina Channel. Of course, if we just happen to flip the TV dial to the right station at the right time, we might look on, casually, for—say, an hour or so. Hmmmm. Perhaps we'd better pack a few sandwiches, just in case it gets so interesting we can't afford to leave the living room. Oh, well, we didn't have anything special planned for Saturday—or Sunday either, for that matter. . . .

Florence's long dip is being mapped out, virtually stroke by stroke, with nearly the same meticulous care as Gen. Ike Eisenhower and his staff must have used in planning the Normandie Invasion. Miss Chadwick's promoters have dubbed Saturday as "C" Day, and neither the exact time of her departure, nor the spot on Catalina Island from whence she will enter the water, has been divulged.

SOCIETY NOTE: Lorne Pratt is on crutches these days, the result of his encounter with a 300-pound block of ice. It seems that Mr. Pratt, the prominent local tub-thumper and secretary for the San Gabriel Chamber of Commerce, was helping workmen unload some ice during a promotion project when the big slab slammed down on his foot. What did the doctor prescribe? Ice packs, of course. —STAN CANN

Civil Defense Chiefs to Meet

Key staff members and division chiefs of Sierra Madre's Civil Defense organization will meet tomorrow evening, 7:30 o'clock, at the City Hall. The session was called by Associate Director Col. Charles Gildart to map plans for the big civilian defense drill during the first week of October.

How About Overtime?

Are city employees getting paid for overtime? And if not, why not? Those were the questions mullied over at length by the City Council last Thursday night.

The councilmen apparently all agreed that every department—including the police—should be paid for extra work hours, or given comparable time off.

But Councilman William A. Kinney pointed out that this has not been the practice. "Everyone on the council has understood for months and months that city employees are to be paid overtime or take the time off," he said. "But it's not the case. It is not clear to the department heads that this is the policy, and they are not doing it."

"The fact is," Mr. Kinney de-

The City Council asked for a little action last week from its parking committee, noting that it was "rather disconcerting" when the group's scheduled meetings "fizzled out."

"It might be well if we could work up more enthusiasm," Councilman William Kinney stated.

"We made it clear that we wanted some recommendation from the committee in due time," he remarked, "and it won't be forthcoming if the group doesn't work up a little enthusiasm."

Councilman Lawrence Washburn said he "agreed 100 per cent" with Mr. Kinney's observation.

"The time has come when either they come up with a recommendation or we should go ahead on our own," he declared.

Councilman Charles James advanced the theory that "it might be a lack of leadership there," then added quickly: "but perhaps that's not the case."

Taking sharp issue with this, Councilman Noren Eaton stated that "no one is working harder to solve the downtown parking problem than Mr. (Al E.) Morgan."

The city fathers also reaffirmed their stand that parallel parking is "inevitable," but Mayor Korsemeier added the word, "eventually."

They closed their discussion on parking by instructing City Administrator R. Merritt Baker to write a note to the committee calling for "action soon."

CITY SLATES BIG CIVIL DEFENSE TEST

Mayor Henry F. Korsemeier has proclaimed the week of Sept. 28 to Oct. 4 as Civil Defense Week in Sierra Madre, and the City Council voted full support Thursday of the county-wide civilian defense drill slated for one morning of the week.

The councilmen pledged that the CD departments would give full cooperation and called upon citizens to help make the test a success.

Col. Charles Gildart, the associate director of Civil Defense for Sierra Madre, said the drill will be conducted sometime "during the forenoon of Thursday, Oct. 2 or Friday, Oct. 3."

"The exact hour will not be given out so the element of surprise can be maintained," Colonel Gildart told the city fathers.

Purpose of the full-scale drill will be fourfold, it was explained. It will test (1) effectiveness of the air raid warning system, (2) the public response to the alert program, (3) Sierra Madre's facilities protection program, and (4) the mobilization of civilian defense personnel.

Hypothetical problems will be worked out for the various Civil Defense departments, and each will be given an assignment appropriate to its line of work, the colonel pointed out.

Sierra Madre, not yet having a siren in working order, will rely on the fire air horn to warn citizens of the drill.

The local "red alert" signal is a three-minute series of short blasts on the fire horn. The all clear, "yellow," signal is a one-minute steady blast.

THESE YOUNGSTERS look pretty serious about the whole thing, but they really are looking forward to a wonderful time on Saturday, Sept. 27, when the Kiwanis Club presents National Kids' Day in Sierra Madre. As you can see, there will be quite a few young cowboys and cowgirls taking part in the Kids' Day Parade. All boys and girls of Sierra Madre are invited to join in the parade, preferably but not necessarily wearing costumes. Shown getting their tricycles and cars ready for the event are (left to right) Ronnie Ritterath, Renee Valois (face hidden by Ronnie's Stetson), Timmy Gibian, Charlie Roth (holding rifle and Kids' Day poster) Celia Bonney, and Bobbie Jacobs. The rifleman? He's about to bag a cattle rustler, somehow invisible to everyone but himself.

'Miss California' To Lead Parade

Jean Shores, the lovely "Miss California" and third-place winner in the "Miss America" contest at Atlantic City, will head the Sierra Madre Kiwanis Club National Kids' Day Parade on Saturday, Sept. 27, at 10 a.m.

Miss Shores, who will be grand marshal of the parade here, holds many titles, including an honorary membership in the New Jersey Police Department. She also is "Miss Hawaii" and has more than 10 cups won in beauty contests throughout the nation.

"Sierra Madreans are looking forward to Miss Shores' appearance as one of the high spots of the National Kids' Day program in this town," according to Arthur Ritterath, program chairman.

As for the parade itself, Mr. Ritterath said children and young people of all ages—including school bands, special units, Boy and Girl Scouts, and Cubs—will participate in the procession which will form at East Montecito and Baldwin at 9 a.m. on the 27th.

The chairman called upon youngsters to "join in the spirit of National Kids' Day" by decorating their bicycles, wagons, scooters, and tricycles for the parade.

He pointed out that vehicles can be decorated with colored cloth, ribbons, colored crepe paper, flowers, balloons—"or anything imaginable." Prizes and ribbons, donated by business firms, will be awarded the best decorated entries in each class.

"Kids, if no vehicles are available, wear a costume and join the parade," said Mr. Ritterath. "If no costume is available, come as you are. This is a parade by you, for your fun."

As an afterthought, however, he asked "parents of very young paraders to accompany their entrants" and be ready to assist "where necessary."

The parade march will proceed down Baldwin to Sierra Madre boulevard, then west on the boulevard to Hermosa, disbanding by the City Park.

(See adjoining story on the big pet and hobby show planned for the afternoon and the variety show slated for the evening.)

BIDS SOUGHT ON HIGHLAND WORK

Plans and specifications were approved by the City Council last week for the reconstruction of Highland avenue, between Baldwin and Lima.

Bids for the job, expected to cost \$30,020, will be opened at the council's meeting of Oct. 7, and the city fathers expressed the hope that they can award the contract the same night.

Repairs Ordered For Well Motor

City Councilmen authorized the water department to spend up to \$225 last week for the repair of a motor bearing on Sierra Madre's No. 3 water well.

Councilman Lawrence Washburn, the council's water commissioner, reported that he and other city employees heard a "peculiar noise" in the well and contacted an electrical firm which diagnosed the trouble as a "shot bearing."

Pet, Hobby Show Planned For Kids' Day

A Pet and Hobby Show will be held Saturday afternoon, Sept. 27, as a part of the Sierra Madre Kiwanis Club National Kids' Day program.

"All young people are invited to show their pets and hobbies as a part of the day's festivities," announced Arthur Ritterath, chairman.

"To enter," he said, "just be there (at the City Park) with your pet or hobby display."

Young people exhibiting hobbies or crafts should provide tables for their displays. Either folding card tables or boxes and boards will be satisfactory, according to Harry A. Lange, show director.

Pets should be on leashes or in cages, he pointed out.

Mr. Lange announced that entries should be set up north of the Parkhouse by 1 p.m. "A

RED CROSS SWIMMERS WIN 133 CERTIFICATES

At a "splash party" marking the close of the 1952 Red Cross swim campaign last Wednesday, 133 certificates were presented by Instructor Mrs. Audrey Smith.

The certificates were awarded in the following classifications: Intermediate, 15; swimmers, 10; beginners, 58; and polywogs, 50.

Red Cross volunteers who helped conduct the classes included Mrs. Sam Haskins, Mrs. John Mac Donnell, Mrs. N. A. Howe, Mrs. Myrtis Waite, Mrs. Arlene Decker, Mrs. Evelyn Co-vell, Mrs. Gordon Doyle, Mrs. C. D. Griffin, Mrs. Joanne Irvine, Mrs. Florence Morningstar, Mrs. Marie McGinnis, Mrs. Audrey Volmert, and Mrs. Martha Garson.

SCHOOL HIKE LUNCH PRICE

City School Trustees voted Tuesday night to hike the price of cafeteria lunches from 26 to 30 cents.

Reasons for the 4-cent boost, according to Board Member Mrs. Martha Coutant, are three fold.

"A preliminary check on this year's operation of the cafeteria showed a loss per day of between \$2 and \$3," Mrs. Coutant explained.

"Second," she said, "we had anticipated a heavier federal subsidy on school lunches this year but, instead, it was decreased."

The third reason is the general increases in the cost of food, the trustee pointed out.

ARC Home Nursing Course Planned

A Red Cross course in home nursing is planned in Sierra Madre for October, it was announced today.

Mrs. Florence Peterson, executive secretary of the local ARC chapter, said Mrs. Roberta Musselman will be instructor. People wishing information on the course may contact Mrs. Pamela Campion, CU. 5-4168.

'UNOFFICIAL' HELP SEEN FOR SUNNYSIDE LANERS

Although the city hasn't changed its official viewpoint on the matter, relief was in sight this week for residents of Brookside Lane who are forced to use a 10-foot wide, hazardous alleyway for ingress and egress to their homes.

In July the City Council said it could not take a hand in widening Sunnyside Lane, since it is a private road and city help would amount to a gift of public funds for a private project.

Councilman Charles James hit upon a partial solution to the problem, however, at last Thursday night's meeting.

He pointed out that the city owns a tiny strip of land on Sunnyside Lane—a portion that includes an 8-foot drop off. "Why can't the city pile its own earth on its own property?" Mr. James asked.

City Attorney T. Guy Cornyn said there was no legal objection to that, so the city will ask the contractor working on the Highland street repair project to dump his surplus dirt up on Sunnyside Lane.

The city, therefore, will be furnishing dirt fill for widening the lane.

CITY SCHOOL REPORTS BIG ENROLLMENT

A heavy first week enrollment of 706 pupils was reported Tuesday by City School Superintendent Charles A. Skutt.

The registration figure was within four of being the highest enrollment at any time during the school year 1951-52, Mr. Skutt announced. He said it indicated probably an even heavier enrollment as the year progresses.

The total sign up of kindergarten pupils was 106, which, it was conceded, was "higher than anticipated."

"We're still taking in students, and more are expected to register Monday," the superintendent pointed out.

WOMEN'S GROUP CALLS IT 'BIG PROJECT OF YEAR'

The Civic Club, by unanimous vote, has pledged full support of the proposed city-wide project to get a new swimming pool for Sierra Madre.

Through its action last week, this women's group became the first organization to officially declare itself in favor "both morally and financially" of the new pool movement.

Members of the Civic Club have placed the matter at the head of their fall agenda and hail it as "our big project of the year."

According to Mrs. William Wilcox, president, the club

hopes the plunge can be constructed at the City Park this winter.

"We hope other organizations and clubs will also take up this project as it will need the co-operation of every person in Sierra Madre," Mrs. Wilcox said.

The Civic Club takes the view that financing of a new pool may be possible without having to float a bond issue—that is, it believes enough cash can be collected through money-raising projects put on by various organizations.

As a starter, the Civic Club plans to stage another theatrical production, under the management of Ways and Means Chairman Mrs. Emory Johnson, with proceeds earmarked for the pool.

P-TA Get-Acquainted Night, Sept. 18

A "get-acquainted" night is planned by the Sierra Madre Parent-Teacher Association for its regular meeting of the fall, to be held this evening, Sept. 18.

Mr. and Mrs. Tom Willis, P-TA presidents, said the City School teachers and staff members will be introduced to parents and other Sierra Madreans present. New Parents are especially urged to attend, they added.

The meeting will be held in the school cafeteria, starting at 7:45 p.m. Mr. and Mrs. Willis said they hope parents who would like to help in P-TA will make known their desires or capabilities during the evening.

Ranch Fights New Rubbish Transfer Site

Upper and Lower Hastings Ranch residents were mapping strategy this week to oppose establishment of a rubbish transfer station south of their neighborhoods.

Plans for the station, and recommendations from County Engineer William J. Fox, are now under study by the County Board of Supervisors.

The proposed station, to be known as the Halstead Street Transfer Station, would be located in county territory between Foothill and Colorado boulevards, near the railway tracks approximately 500 feet west of North Halstead street.

Congregational Church Gets New Organist, Director

The Congregational Church announces the appointments this week of Deane A. Tack as the new choir director and Mrs. Jean Autrey as church organist.

Mrs. Autrey, who resides at 2509 St. Pierre street, Altadena, studied music at the Chicago Conservatory of Music and received her master's degree in music from the University of Indiana.

Mr. Tack reports that choir rehearsals will begin this evening at the church. For background information on Mr. Tack, see story on page 3.

MAYOR'S PROCLAMATION

WHEREAS the President of the United States and the Secretary of Defense have declared that adequate preparedness will do more than anything else to insure peace, and

WHEREAS this country has built a strong military organization and is spending billions yearly to maintain this strength, and

WHEREAS it is reasonable to assume that our potential enemy is building a mighty war machine and may strike at any time without warning, and

WHEREAS this city is close to a critical target area, and WHEREAS military preparedness must be matched by civilian preparedness to insure adequate defense, and

WHEREAS the week commencing Sunday, September 28 will be devoted to a Civil Defense test of public participation in defense measures that must be taken if our citizens are to provide for their own protection in case of attack, and

WHEREAS this test will be held during the forenoon of one day during the week commencing September 28

NOW, THEREFORE, I, Henry F. Korsemeier, Mayor of the City of Sierra Madre, do hereby proclaim the week of September 28 to October 4 as

CIVIL DEFENSE WEEK

in and for the City of Sierra Madre and call upon all citizens to give their full support to this drill by seeking shelter and clearing traffic lanes of their vehicles as they would under enemy attack. I further urge business and industrial leaders to see that their workers and plants are provided with proper protection facilities, hotel and apartment owners to arrange shelters for their tenants, and all labor unions, civil and educational groups to cooperate to the fullest extent to make this drill a success thereby contributing to the safety of the city and its inhabitants.

ROSEMARIE FRANCES DAVIS

DR. PETERSON TO WED MISS ROSEMARIE DAVIS

Mr. and Mrs. Earl J. Davis of 2828 S. Baldwin, Arcadia, are announcing the engagement this week of their daughter, Rosemarie Frances Davis, to Dr. Charles W. Peterson, well-known local dentist of 711 W. Montecito.

Miss Davis is a graduate of Monrovia-Arcadia-Duarte High School and Los Angeles City College, where she majored in dental assisting. She is a member and officer of two Pasadena organizations, the Pasadena Dental Assistants and the Ventura Club, a junior organization of the Soroptimists.

Dr. Peterson, whose parents are Mr. and Mrs. P. C. Peterson of Utah, has been practicing dentistry in Sierra Madre for the past four years. He is a member of the Toastmasters and Lions Club, and he recently received orders to report back to active duty with the Navy.

The couple is planning an early winter wedding.

GUEST OF FAMOUS AUTHOR IN NORTH CAROLINA HILLS

Will Fuller, son of Mrs. Paul Sheldon of 124 S. Hermosa avenue and a graduate of the Ascension Parish School, is currently visiting in Durham, N.C., and West Virginia after spending the summer at a camp in Putney, Vt.

While in North Carolina Will visited his uncle, Paul Hunter, poet and author whose outdoor drama, "Unto These Hills," is a feature each year of an outdoor festival in Asheville.

Dr. Hunter originally wrote the drama, a celebration of the bravery of the Cherokees who were the native holders of the land in western North Carolina, to submit as his master's thesis at the University of North Carolina. This was one of the first pieces of writing in the country to be produced professionally before being accepted for scholastic honors.

Dr. Hunter is the author of another well-known outdoor drama, "Horn in the West," which was performed in the Mountaintop Theater at Asheville.

Will also will visit in southern West Virginia, one of his family's ancestral homes and a famed Cherokee hunting ground of other days.

MAN FACES DRUNK DRIVING CHARGE

Harold Calvin Cameron, 269 E. Laurel, is at liberty on \$150 bail following his arrest on charges of drunk driving Friday, Sept. 12.

Judge Joseph Sprinkle has set 2 p.m. on Oct. 1 as the time for hearing on probation and sentence. Cameron was nabbed by local officers as he was driving east on Sierra Madre boulevard. Police said Dr. Thomas Wynne's sobriety test disclosed he was suffering from "alcoholism acute."

Rev. Clarence Nida Ends Duty in Japan

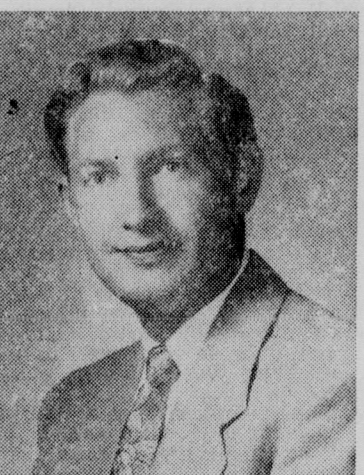

Back in the United States after a year's service in Japan, the Rev. Clarence Nida is now in civilian clothes and is visiting at present in Sierra Madre.

The Rev. Mr. Nida, former pastor of Bethany Church, served as wing chaplain at the Nagoya Air Force Base. He held the rank of major and was on active duty for 17 months.

Mr. Nida said future plans are "indefinite," but he indicated the possibility of his family's moving to the South.

Ever ride a House on Wheels?

More room to roam than you have at home—that's the bonus we give you with your ticket on any of Southern Pacific's great "name" Streamliners listed below. An S.P. train like our "Shasta Daylight," for example, has as much floor space as four or five good-sized houses. You're never "cooped up" in your home-on-wheels.

Chair Cars on Southern Pacific's modern streamliners have been built with your comfort the first consideration. Dust-free, draft-free air-conditioning. No-glare fluorescent lighting. Soft-as-a-cloud foam-rubber seats. Lots of leg room and move-around room. Extra large windows. Feather-touch doors. Spacious washrooms. That's why Chair Cars on S.P. streamliners are the most luxurious form of all low-cost transportation.

An Editorial:

CIVIC CLUB HAS TAKEN FIRST STEP; WHO'S NEXT?

Sierra Madre's Civic Club took an impressive step toward community betterment this week.

By voting to support plans for a new swimming pool, the club members showed they really are living up to their group's name.

Their civic interest is apparent in the fact that they were the first organization to formally "come out" for the pool project. We enthusiastically congratulate the Civic Club for discerning an important community need and then taking preliminary action to fill it.

We also commend the Kiwanis for earmarking part of their proceeds from Kids' Day for a new pool.

The question now naturally follows: how many other organizations will join the campaign? The support of ALL groups will be necessary to see the project realized.

One doesn't need much of a memory to recall that the swimming pool bond issue of October, 1949, was defeated soundly—beaten by citizens who stayed away from the polls on election day. The incredibly low vote in that election (just 29.74 per cent of the registered voters voting) saw the pool measure turned down, 625 to 466.

The proposed new pool is expected to be included in the Recreation Commission's plans for over-all development of City Park. The Civic Club hopes enough money can be raised by individuals and organizations to pay for the new pool. If this is to be done, it will require the hard work of all.

And the time is now—when fall programs are getting underway—for clubs and groups to give tangible support to the pool project. How about it?

They look alike—but aren't alike

ONE important difference in automatic gas water heater is the

10-YEAR WARRANTY PLAN

Follow these rules, too: 1) Buy an automatic GAS water heater because gas heats water three times faster and costs less. 2) Buy the size of automatic gas water heater big enough to take care of both your present and future needs. Your plumber-dealer's approved sizing chart tells at a glance the recommended size for your needs.

Remember this when you buy: All automatic gas water heaters do look more or less alike, but there is one very important difference. That's the 10-year warranty plan, which is your assurance of a top-quality appliance built for long and carefree service.

A make and model of automatic gas water heater that carries this plan will cost you a little more now, but far less in the long run. For with automatic gas water heaters—as with anything else—you get what you pay for. Lower-priced heaters naturally aren't made from as heavy-weight steel, aren't as resistant to the corrosive action of water and won't give as many years of service as those with a 10-year warranty plan.

So when you buy a new automatic gas water heater, insist on a make and model with a 10-year warranty plan. You'll see one at your plumber-dealer's.

LETTER TO THE EDITOR

Editor, Sierra Madre NEWS:

Reading of R. A. Hawks' problems in your Aug. 28th issue of the NEWS regarding the parking problem prompts me to write. It would be to the best interest of Sierra Madre to ease the restrictions on East Montecito until such time as the parking problem is solved. It is not a problem of the manufacturing zone. It is a problem of the shopping district.

It sounds like bad business to lose tax money because of such a situation.

Sincerely,
(Signed) MRS. R. HURWIT

Studies Began This Week!!!

Hoo-ray or Hoo-eee???

Meantime we're still mopping up on the vacation fun. We missed out on the item about Claire Pesek and Anne Perine so forgive us and let us tell you that these gals really get around. They had a week of surf and sand fun at Newport Beach after spending a scrumptious time with the Big Trees at Sequoia earlier in the summer. What a neat way to beat the local heatwave.

Meantime, Gretchen Conzelman joined a house party down at Laguna Beach, where the Walter Dedricks and their children, Wally and Debbie, hosted a gathering for Barbara Mulender and her mother, and Sally Albright as well as "Suekie." Highlight of the week was a visit to San Onofre, private surf club where the boys—but not the girls—had the courage to try the sea-sport A La Hawaii. A fun time, reports Gretchen.

Jim Yarnell hit the peak of his two-weeks visit to Green Valley Lake by swimming in a water carnival there; shades of Johnny Weissmuller!

And now for some back-to-school notes: Bette Cook and Dixie Martin will serve as secretaries to the Student Body board at Muir. . . Ronnie Boorman is Associated Student Body prexy there, and Diane Armstrong is Assemblies Commissioner. . . Gretchen Conzelman will be secretary of the Cabinet and vice-president of the Associated Women Students.

Where will Sierra Madre's youth study this year?

Rolin Woodworth will finish his last year at Pomona this fall and graduate with a B.A. degree in economics. Also at Pomona, Gary Griffin will continue his work in the field of chemistry.

Shirlee Peterson, after spending her freshman year at Muir, will be seen on the Cal campus this semester, along with Regina Andrews, a junior, and Tom Henze, former resident of Sierra Madre, who received a football scholarship to the uni-

NURSERY SCHOOL AUXILIARY SETS DATE FOR FASHION SHOW

Plans for the annual Fashion Show of the Nursery School Auxiliary were discussed by members who met last week at the home of Mrs. Howell N. White Jr., 68 E. Miramonte.

The Fashion Show will be held on Saturday, Oct. 11, beginning at 1:30 p.m. Mrs. James Sheldon Riley, 1160 W. Orange Grove, will again open her gardens to the auxiliary and friends who attend the event.

Dessert will be served guests immediately upon their arrival, following which the latest in fall fashions will be presented.

BACK FROM LAKE TAHOE

Mrs. Mae Bettis and Miss Constance Campbell have returned to 39 Lowell avenue from Lake Tahoe, where they spent the summer.

Also fitting into the athletic picture is Bunny Gillette, who made football history for Monrovia-Duarte High School and promises a repeat performance in every sport at the University of Redlands.

Colvin Floyd will attend his senior year at UCLA and Marianna Haskins will go to the University of Southern California. Barbara Stenden has left for Antioch and Beverly Stenden returns to Occidental.

Jack Carver leaves on Oct. 27 to attend the General Motors Institute and take a course in management and salesmanship.

John Woehler reports to Stanford Oct. 1 for his second year on the Indian campus. He is majoring in Hispanic-American history and creative writing. Also returning to Stanford this fall are Margot Woodworth, whose major is social science, and Margy Hobson, who is majoring in humanities. Julie Conzelman will be one of the many freshmen for this area, and Ginger Timmons goes back for her senior year. Stewart MacAuley, former A.S.B. president of Muir College, enters the Stanford Law School in his third year of college.

Connie Best leaves tomorrow to attend Pomona College, where she will major in music. Connie attended Anaoka for two years, and PCC for two years. Her room (you know) is Mrs. Wilhelmina Best, 115 Canon.

ART HEWITTS LEAVE FRIDAY FOR MINNESOTA

Mr. and Mrs. Art Hewitt of 630 Orange Drive, with their son, Arthur Jr., Afghan hound, and desert tortoise (if it can be found) will leave tomorrow for an extended stay in Minneapolis, Minn.

Mr. Hewitt, former editor of the NEWS and a reporter for about six years on the Los Angeles Evening Herald-Express, said he may teach for a semester at the University of Minnesota, while Mrs. Hewitt is completing graduate study toward her master's degree.

Mrs. Hewitt, also a former editor of the NEWS, served for a time as secretary of the Sierra Madre Chamber of Commerce and as a correspondent for the Los Angeles Times. The Hewitts plan to live on campus at the university.

COURSE TO START IN PRE-SCHOOL CHILD GUIDANCE

An adult education course in "Principles of Guidance for Pre-School Children" will get under way on Tuesday, Sept. 23, 8 p.m., at the Nursery School building, 701 E. Sierra Madre boulevard.

The class, sponsored by the adult education division of Pasadena City College, will meet on the second and fourth Tuesdays of the month. This course has been offered in Sierra Madre for the past two years.

Initiation Rites Planned by VFW

Formal initiation rites for a dozen new members of the Harry L. Embree Post, Veterans of Foreign Wars, are scheduled for Wednesday, Sept. 24, 8 p.m. at the Masonic Temple.

An initiation team from the Southgate VFW Post, one of only three such teams in the state, will conduct the ceremony. Byron Gentry, district VFW commander, is expected to be present.

'Robert E. Lee' Now At Playhouse

Robert E. Lee, the Virginian who lost a war but won the esteem of both northerners and southerners, is bringing finale to Mid-summer Drama Festival of "Great Americans" at Pasadena Playhouse as John Drinkwater's famous play, "Robert E. Lee," runs through Sept. 21.

Herbert Haymaker. Mrs. Gould Eddy served as publicity posters and decorations chairman.

Mr. Schwartz pointed out this week that it was Mrs. Lucille Easton who "did the bulk of the arrangements for the event," but that she had to be out of town on the night of the rally.

PREMISES THEREIN TO THE ANNOYANCE OF ANY OTHER PERSON AND FIXING A PENALTY FOR THE VIOLATION THEREOF. And the same is hereby, amended by adding thereto a new section to be known as and numbered Section 2A and to read as follows:

"SECTION 2A. It shall be unlawful for any person within the City of Sierra Madre to drink any alcoholic beverage on any public street, highway, alley, sidewalk, parkway or within any building, structure, or Federal building or premises which is open to and maintained for the use and convenience of the public.

"Alcoholic beverage" as used in this section means and includes alcohol, spirits, liquor, wine, beer and every liquid or solid containing alcohol, spirits, wine or beer, and which contains one-half of 1 per cent or more of alcohol by volume and which is fit for beverage purposes either alone or when diluted, mixed or combined with other substances."

SECTION 2. Any person who shall violate any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined in a sum of not more than One Hundred (\$100.00) Dollars, or be imprisoned in the City Jail of the City of Sierra Madre or in the County of Los Angeles Jail not more than thirty (30) days, or suffer both such fine and imprisonment.

SECTION 3. The City Clerk shall certify to the adoption of this ordinance and prior to the expiration of fifteen (15) days from the passage thereof, shall cause the same to be published once in the Sierra Madre News, a newspaper of general circulation, published and circulated in the City of Sierra Madre, and thirty days from and after the final passage thereof said ordinance shall take effect and be in force.

I HEREBY CERTIFY that the foregoing ordinance was regularly passed and adopted at an adjourned regular meeting of the City Council of the City of Sierra Madre, held on the 11th day of September, 1952, by the affirmative vote of at least three councilmen, to-wit:

AYES: Councilmen Washburn, James, Eaton, Kinney and Korsmeier.

Auxiliary Hears Talks On Hospitals

Veterans of Foreign Wars Auxiliary members heard a talk at a recent meeting on veterans' hospitals and the need to visit disabled servicemen.

Addressing the women was Hazel Nass, 6th District president of the VFWA.

The Sierra Madre auxiliary voted to make a cash donation to help in the Christmas party at San Fernando Hospital.

Helen Wheeler and Carfax Moore reported on their attendance at the national convention which was held recently at the Ambassador Hotel in Los Angeles.

Linda Perry, who presided over the meeting in the absence of President Cynthia Ellet, said the following guests were present: Vivien Jones, press and radio chairman of the department; Elizabeth Robey, district chaplain; and Era Minnick, president of the Arcadia-Monrovia VFWA Unit.

The local auxiliary meets on the first and third Tuesdays of the month. Anyone wishing to join should contact the local VFW Post or Auxiliary.

Pool to Remain Open Through Rest of Month

Sierra Madre's Canyon Pool will remain open throughout most of this month, depending on attendance and weather, Manager Harold S. Turner announced today.

Starting Tuesday, however, the plunge went on a new schedule and now is open only for the afternoons and early evenings, from 4 to 7 or 8 p.m.

"We'll keep the pool in operation on this basis until at least Sept. 28, and possibly beyond that if the weather remains warm," Mr. Turner explained.

PARTY LINE...

By MARGE THOMAS, Custer 5-2951

Carolyn and Frank Williams' youngest daughter, Sharon, celebrated her third birthday last week with a garden party. She shared the gay and happy time with Diana Warner, Christy Thomas, Sue Schuh, Connie and Kitty Gallo, Anita and Lora Krotz, Derry and Maron Kirkland, and Paul Secoure. The junior hostesses were Sharon's older sister, Diana, and Kerry Schuh. The mothers, Mrs. Ed Secoure, Mrs. Don Warner, Mrs. Ray Thomas, Mrs. S. R. Schuh, Mrs. Don Gallo, Mrs. George Krotz, and Mrs. John Kirkland, were on hand to enjoy all the festivities.

Maddie and Roy Primack are having a motor trip to Oregon. They are planning on visiting a friend of Roy's, in the forestry service, Jimmy Grossen, at Agnes, Oregon. On their return trip, they will stop for more "fun and frolic" in San Francisco.

Eddie and Merrill Johnson of Coronet avenue have just arrived home from a trip to Salem, Oregon. They were accompanied by their two children, Gail and Keith, and a niece, Judy, daughter of the Loren Johnsons on Cynthia avenue. While in Salem they visited three of Merrill's sisters and their families, Mr. and Mrs. Melvin Howell, Mr. and Mrs. Howard West, and Mrs. Geneva Pace. On their way home they were able to spend enough time in San Francisco to "do the town."

Ann and Ray Harvey's home on Tropical avenue has been the scene of a happy family reunion. Ann's parents, Mr. and Mrs. Virgil Shoemaker, have been visiting them for the past several months. Recently, Mrs. Shoemaker's sister and brother-

-in-law, Mr. and Mrs. Roy McBride, of Okmulgee, Oklahoma, arrived with another daughter, Miss Zella Shoemaker, of Dallas, Texas, and a friend, Miss Ruby Welch, also of Dallas. To complete the picture, Ann's other sister and her husband, Mr. and Mrs. O. L. Burgess, motored in from Durango, Colorado. It was a full house but a very gay one.

Gary, two and a half year old son of Shirley and Howard Heimbrich, has a new sister, Cheri Helene. Cheri was born last August 23 at the Good Samaritan Hospital in Los Angeles and is now "at home" on Valley View avenue. Shirley not only has the good fortune of having a new daughter at her house, but her parents, Mr. and Mrs. E. J. Klesner from Minneapolis have recently purchased a new home on Edgeview drive in Sierra Madre, and are going to be permanent residents of this area.

AAUW Meets In Arcadia

Sierra Madre members of the Arcadia branch, American Association of University Women, assisted in honoring new and potential members at the first fall meeting, Wednesday, Sept. 17, in the Arcadia Woman's Clubhouse.

WORK SCHEDULE From page one

men who had over 100 overtime hours accumulated. He named one by name, estimating that he has 110 hours coming to him.

"If that's the case he should be paid, of course," Mr. Eaton replied.

Mayor Henry F. Kormsmeier remarked that this matter should be referred to City Administrator R. Merritt Baker, since it is an administrative function. "Mr. Baker will take care of it," he said.

Mr. Baker reported that he has obtained "additional material" on his proposed resolution to regulate working conditions of employees and asked time for further study on it.

The subject of holidays (ie, what is and what isn't a holiday) will be included in the resolution, but it also was touched upon in the discussion Thursday night.

Councilman Lawrence Washburn cited the "considerable amount of confusion" that resulted from Admission Day, the so-called political code holiday of last week.

"We must set up a definite procedure for such holidays," he said. Mr. Washburn noted that the banks were closed that day, but many public buildings remained open.

Mayor Kormsmeier observed that "the banks close at the drop of a hat, anyway."

Mr. Kinney asked Police Chief Gordon G. McMillan if his officers were being paid for holidays, whereupon the chief replied:

"No holidays have ever been recognized in the Police Department."

"But it was the council's intention that the Police Department was to operate on the same basis as all the other departments," countered Mr. Kinney.

Mr. Washburn said that Mr. Baker probably will take care of that in his resolution.

Regarding their motion of "several months ago" to pay overtime, Councilman Eaton remarked facetiously that "maybe we better disband if no one pays any attention to what we do."

A muffled reply from Councilman Charles James was to the effect that it might be "a good idea."

Jewish Center To Welcome New Cantor

Cantor David Holtz is the newly-elected cantor for the year 1952-53 at Foothill Jewish Community Center, Dr. Charles W. Steckel, spiritual leader of the center, announced today.

Cantor Holtz will be introduced to the community on Erev Rosh Hashone. The Foothill Community Jewish Center serves Sierra Madre, Arcadia, Monrovia, Temple City and Duarte.

The cantor came to the United States as a boy of 12 years of age. Dr. Steckel points out that Cantor Holtz has a "fine traditional background" since his father, Solomon, and his older brother, Isidore, both are in the cantorial profession.

Cantor Holtz, a lyric baritone, has appeared as a featured singer for such national organizations as the United Jewish Appeal, Jewish National Workers Alliance, and Hadasah.

FORD'S FIRST with the MOST!

FIRST in POWER!

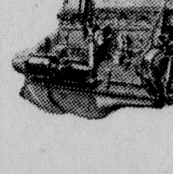

Ford's 110-h.p. Strato-Star V-8 is the most powerful engine... the only V-8 offered in a low-priced car! Ford's 101-h.p. Mileage Maker Six is the industry's newest, most modern Six!

The '52 Ford brings you more power, more comfort, more "looks" and more "can do" than any other low-priced car! You can see it in Ford's new, longer, wider bodies of modern design. You can feel it in Ford's smoother, more level ride... in Ford's 25% easier steering. And, you can sense it in the more spirited response of the '52 Ford—whether it's the 101-h.p. Six or 110-h.p. V-8!

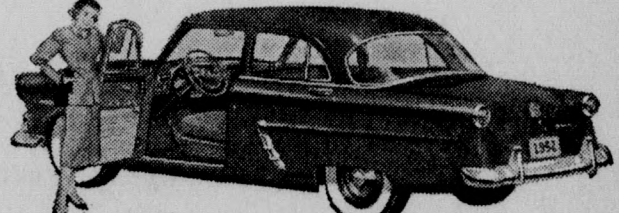

FIRST in RIDE!

For the first time, in the low-price field, you can enjoy a truly fine-car ride! Ford's new Automatic Ride Control with its diagonally mounted rear shock absorbers and new spring suspension gives you a bump-leveling, highway-hugging ride.

FIRST in STYLE!

This longer, lower style leader has the newest, most advanced body in the industry! It's styled to stay beautiful for years, and it's quality-built to stay young.

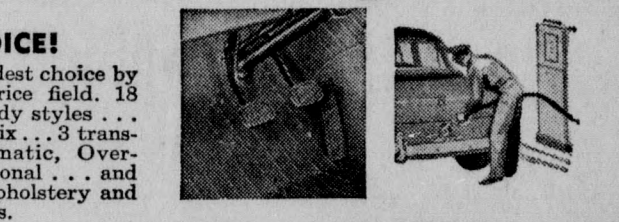

FIRST in VISIBILITY!

New Full-Circle Visibility gives you the only one-piece curved windshield, plus car-wide rear window, in Ford's field. New I-REST tinted glass... available on Custom and Crestline models... guards against glare and reduces heat.

FIRST in CHOICE!

Ford offers the widest choice by far in the low-price field. 18 models... 11 body styles... 2 engines: V-8 or Six... 3 transmissions: Fordomatic, Over-drive or Conventional... and the most body, upholstery and color combinations.

FIRST with the NEWEST!

You'll find Ford has made more advances for '52 than any other car in its price field. You get new features like Power-Pivot Clutch and Brake Pedals, suspended from above, to allow more foot room, eliminate dusty, drafty floor holes. You get Center-Fill Fueling for easier gas filling from either side. F.C.A.

Mattice Returns From Germany, Gets Discharge

Sgt. John A. Mattice is sporting civilian clothes again following his discharge Tuesday from the US Army.

Mattice, the son of Mr. and Mrs. Ralph Mattice, 38 Auburn, had served for a year and a half as instructor at a military training school in Germany.

Mrs. Mattice, his mother, reports that the young man sailed from Germany for home on his birthday, Aug. 21. He was processed for discharge at Fort Ord and arrived home in Sierra Madre that night.

Harbottle Meets Local Scout Officials

Scout Executive Harbottle was introduced to Boy Scout officials of the Sierra Madre District Committee Monday night.

Mr. Harbottle, who is the new executive for the San Gabriel Valley Boy Scout Council, outlined the duties of Scout troop sponsoring organizations.

"Principal duty," he said, "is to see that the Scout program is carried out." To this end Mr. Harbottle said groups appoint institutional representatives to see that this is done.

He cited the four main aims of scouting as follows: (1) to teach reverence to God; (2) to instill respect of country; (3) vocational guidance; and (4) physical fitness.

Executive Harbottle indicated that he hopes to address a larger group of Sierra Madreans sometime soon.

It was pointed out at Monday's district committee meeting that quite a few local boys are waiting to join the Cub Scouts, but a shortage of den mothers is keeping them out of scouting.

Here they are all visiting their mutual dentist, L. to R., Stevenson, Gilbert Rayner, Miss Barbara Rayner and Pamme.

MEETING YOUR NEIGHBORS IN

Hastings Ranch

KAY GATES, Custer 5-2183

This week petitions will be circulated in our district in our fight against the location of the "Halstead Transfer Station" (see story page 1). In addition, however, you are urged to request to write letters of protest, immediately, against this station, addressed to: Supervisor Herbert C. Legg, Attention Mr. Dines, Hall of Records, Los Angeles. We enjoy our southern breezes now, but will we enjoy it if this measure is approved? It is our duty as residents of an exclusive residential area to stop this right now by voicing our opinion. Our united effort can and must do the job.

We are sorry to learn that we are soon to lose a very prominent ranch family—one which has contributed much to our neighborhood life. They are the S. L. Yarbroughs of Greenhill road who are moving to New Jersey in the very near future. Mr. Yarbrough is being transferred to the home office of Rheem Manufacturing Company in New York for six months until their new plant in Linden, N. J., is completed, at which time he will be connected with that office. Best wishes, Mr. and Mrs. Yarbrough, Phillip and Stephen. We shall certainly miss you.

OSTI BRINGS HOME BACON ---ER, FISH

Bob Osti brought back proof for the fish stories he told Sierra Madreans Friday.

Osti and a friend, Russ Nelson of Montebello, returned to town with a pickup truck loaded down with fish. They made the catches during a week spent aboard a fishing boat off the Guadalupe Islands.

Included among their finny loot were a 60-pound yellowtail, two 40-pounders and 19 other assorted sizes of the same species, 18 albacore, and "numerous" bass.

The two young men also brought back some advice for Sierra Madre anglers. "Don't go fishing in that area without at least a 45-pound test line, heavy stainless-steel leaders, and at least No. 8 hooks."

SHIPWAY ENROLLS AT STATE COLLEGE

Wesley Shipway, son of Mr. and Mrs. R. D. Shipway of 292 E. Laurel, will attend State College at San Diego this year.

While studying at the campus, he will live with his brother and family, Mr. and Mrs. George D. Shipway of San Diego. Wesley enters State after two years at PCC.

membership in the Tuesday Musicals Juniors, a club of young musicians of Pasadena. He recently returned from Estes Park, Colorado, where he spent seven weeks this summer at the Rocky Ridge Music Center studying with his cousin, Beth Miller Harrod, an accomplished pianist and director of the music camp—a camp which not only offers intensive studies in piano, voice, violin, cello, and viola, but also a well rounded program of regular camping activities in this ideal mountain environment; and a production by another group of ranch juniors with dreams of aspiring to Broadway. The play, "The Four Masked Bandits," was given Friday evening at the home of the John Atkinsons on Shadow Grove road, and was written by Mrs. Atkinson. It was a benefit show for Casa Colina, a home for crippled children near Pomona. Unfortunately, a previous engagement prevented your correspondent from using her press pass, however, she did interview members of the cast prior to opening night. Jimmy Stivers, in charge of the box office, seemed quite confident of its success, and Duke Morton, stage manager, summed up his feelings: "Looks like it will be a hit." The cast included: Johnnie and Gary Atkinson, Heidi Silliman, Janey Brown, Chet Osborn, Foss and Debby Morton, and David Stivers.

For the benefit of the many readers who are sharing their news with us, your correspondent wishes to remind them that this column goes into the NEWS office Monday afternoon so she would appreciate having your items by Monday noon for this week's issue, otherwise they will be printed the following week.

LEGAL NOTICE

ORDINANCE NO. 524
AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF SIERRA MADRE FIXING THE AMOUNT OF MONEY NECESSARY TO BE RAISED BY TAXATION UPON THE TAXABLE PROPERTY THEREIN AS REVENUE TO CARRY ON THE VARIOUS DEPARTMENTS OF SAID CITY FOR THE CURRENT FISCAL YEAR 1952-1953 AND TO PAY THE BONDED AND OTHER INDEBTEDNESS THEREOF.

THE CITY COUNCIL OF THE CITY OF SIERRA MADRE, CALIFORNIA, DOES ORDAIN AS FOLLOWS:

SECTION 1. That the City Council of the City of Sierra Madre, State of California, does hereby fix the amount of money at the sum of One Hundred Twelve Thousand Four Hundred Forty-Three and 99/100 Dollars (\$122,443.99) necessary to be raised by taxation upon the taxable property in said City of Sierra Madre as revenue to carry on the various departments of said City for the current fiscal year beginning July 1, 1952, and to pay for the bonded and other indebtedness of such municipal corporation for said fiscal year.

SECTION 2. The City Clerk shall certify to the adoption of this Ordinance and cause the same to be published once in the Sierra Madre News.

SECTION 3. This Ordinance, inasmuch as it provides for a tax levy for the usual current expenses of the City of Sierra Madre, under the provisions of Section 1 of Article IV of the Constitution, and the provisions of Section 36937 of the Government Code of the State of California shall take effect immediately.

The foregoing Ordinance was adopted at an adjourned regular meeting of the City Council of said City of Sierra Madre, held on the 11th day of September, 1952, by the affirmative vote of at least three Councilmen, to-wit:

AYES: Councilmen Washburn, James, Eaton, Kinney and Korsmeier.

COUNCIL ASKS: WHERE IS DEATH CORNER SIGNAL?

What happened to the promised traffic signal for the "death corner" at Michillinda and Foothill boulevard? Also, what are the chances for a signal at the Baldwin-Foothill corner?

These were questions raised at the meeting last week of the Sierra Madre Community Coordinating Council.

Members of the council appointed Les Snudden, representing the Toastmasters, to head an investigating committee to try and find the answers.

Mr. Snudden was instructed to report at the next session on "where we stand at the present time" on these signals.

Woman's Club Plans Tea On Sept. 24

Mrs. E. W. Beutler, president of the Sierra Madre Woman's Club, has announced that the club board is completing plans for a tea, to be held at the Clubhouse on Wednesday, Sept. 24, at 2 p.m.

The entire membership of the club is urged to be present to "meet their neighbors," the many new residents in Sierra Madre community, who will be welcome guests for the afternoon.

Regular meetings of the club will commence with a travelogue on Oct. 11, at 11 a.m., with luncheon following.

NO RENTIE? NO CLASSIE, SAYS COUNCIL

The City Council has virtually knocked the stuffing out of the upholstery class which has been holding sessions in Sierra Madre for the past two years.

The "stuffing," in this case, was the Youth Hut.

Officials of the Pasadena City Schools Extended Day Division announced last week that they would be unable to meet the \$5-per-day rent asked by the city for use of the Youth Hut.

A spokesman said the policy of the division was to hold such classes in outlying sections of the school district only where rent-free facilities are available.

It was disclosed for the first time Thursday that the council had asked "unofficially" for

the \$5 rental fee some time ago.

The councilmen granted permission to the school to station someone at the Youth Hut on Monday, Wednesday, and Friday mornings of this week "so people can be advised that the class is not meeting there anymore."

Democrats Hear Talk By Barrett

Thirty supporters of Gov. Adlai Stevenson met in Alfred Dewey's studio, 28 Windsor Lane, Monday, to launch the Stevenson-Sparkman Club of Sierra Madre.

Newell Barrett of Sierra Madre Villa, a member of the Democratic State Committee, told the gathering that everyone present should be proud of a chance to help elect a man like Stevenson, and to give real service to the effort. The most effective help, he said, would come from precinct workers, each willing to contact the voters of his block and see to it that they are supplied with informative literature.

Stevenson buttons, car stickers and literature were distributed, and may be secured at that address any day except Saturday and Sunday, between 2 and 4 p.m.

Kiwanis Lists Rules for Essay Contest

An essay contest on the subject, "Why Sierra Madre Needs a New Swimming Pool," is being sponsored by the Kiwanis Club in conjunction with local National Kids' Day activities. The contest is open to fourth through eighth graders at Sierra Madre's three schools—the public and both parochial schools.

Youthful essayists, vying for cash prizes of \$4, \$3 and \$2 for first, second and third places, respectively, will write their entries as a part of their regular

UNOFFICIAL HELP From page one—

Irwin H. Erb, 677 Brookside Lane, praised the councilmen for this idea and said the residents in the area "will surely appreciate it."

He said this would amount to a cash saving of \$500 which he and his neighbors had estimated would be the cost of 80 truck loads of dirt.

Mr. Erb reported that the property owners have raised about \$640 so far for the widening project.

RANCH FIGHTS From page one—

Legg, told the NEWS Tuesday that the board is studying the application and action is expected "within the near future."

According to the application, filed by Henry J. Adams, who reportedly operates a land reclamation company in Puente, the station would be used for the "direct transfer" of rubbish from small tractors and pickup trucks into large semi-trailers, or onto concrete slabs and then dozed into the trailers.

No rubbish would be dumped on the ground, and none would be left at the site overnight, the application states.

The station would be enclosed by "6-foot industrial fencing" and is scheduled for operation from 8 a.m. to 6 p.m. daily, seven days a week.

News sources in the Hastings Ranch said they would protest the proposed action on grounds that it would result in a public nuisance and "probably lower property values in the area." It was said that the aid of industrial firms on Foothill boulevard would be sought in their fight.

Mr. Dynes said the supervisors have heard reports of protests from neighboring residents and are hoping to get "all the information possible" before acting. He indicated that a public hearing on the matter might be scheduled.
